

Strategic Partnerships

TO CREATE SHARED GROWTH
AND GLOBAL IMPACT

We believe that strong partnerships create long-term value. By working together with suppliers, buyers, manufacturers, and investors, we connect Indonesia's botanical resources with global opportunities for a more sustainable future.

PEOPLE
PARTNERSHIP
PROGRESS
From Indonesia
to a Better Tomorrow

Our Partnership Areas

Suppliers & Sourcing Partners

Building long-term relationships with trusted farmers and suppliers across Indonesia to ensure a stable and sustainable supply of high-quality botanical materials.

Global Buyers & Distributors

Working with international buyers, distributors, and trading partners to deliver consistent quality and reliable supply to global markets.

Manufacturers & Industry Partners

Collaborating with manufacturers and formulators to develop botanical ingredients that meet specific industry requirements.

Investors & Strategic Partners

Welcoming strategic investors to grow our business and expand opportunities in the global botanical industry.

Why Partner with Us

Quality Focus

Consistent quality and transparency

Sustainable Supply

Responsibly sourced from Indonesia

Reliable Partnership

Long-term collaboration

Global Opportunities

Connecting to international markets
